HOLIDAY GREETING

In all the business of the Christmas season, remember to take time to be with Jesus and remember why He came.

He came because the world *needed* a saviour and still *needs* a saviour. Do not be discouraged by what we see happening around us. Rather remember that Jesus knows all things and sees all things (Hebrews 4:13). He sees the lost, He sees the struggles of families, and He is looking within each family for someone who will “stand in the gap” and “put up a hedge” for the entire household. I encourage you to

be that someone in this holiday season and throughout 2019.

OUR PRAYER FOR YOU & YOUR HOUSEHOLD

Please receive our prayer for you this holiday season:

Father, we ask for families to be united whether in person or through means of technology.

We pray that heavy hearts be lightened, that burdens be lifted from them by the power of Your love.

We ask for the salvation of family and friends in this season.

We ask that doors be opened to those in need.

We ask for You to do what only You can do in situations that seem impossible.

We ask for safety for all who travel and for good health for 2019.

We ask for Your love to shine forth and for people to know the riches of Your glory.

In Jesus' name. Amen.

WISHING YOU A HAPPY NEW YEAR
